

Category	Definition	Examples
Passion —Loyalty —Encouragement —Praise	Comments showing a marked positive or negative emotional response to Brexit and/or Donald Trump, reflecting love, loyalty, encouragement, and/or praise, intertwined with a <i>Doctor Who</i> reference.	"Daleks for Brexit!!!" "Vote Dalek! In this video, we focus on our policy on Brexit!"
Hope —Ambition —Expectation —Anticipation	Posts which reflect hope, speculation, and/or expectation about the future of Brexit and Donald Trump, either relating to how such events will affect <i>Doctor Who</i> , or using a reference to the show to express hope.	"Brexit could lead to return of the plague, Adolf Hitler, Daleks and Godzilla." "Doctor Who is becoming more progressive in contrast to a looming brexit..."
Esteem —Venting —Expertise —Sharing	Comments that share personal perspectives, experiences, and frustrations regarding Brexit and/or Donald Trump, using a <i>Doctor Who</i> reference as a lens.	"Could Donald Trump actually be having a positive effect on the illegal immigration issue? I'm reminded of The Doctor's end speech in Genesis of the Daleks where he says that out of all the destruction the Daleks cause, there must come some good." "Would be interesting to see the Venn diagram overlap between 'people who say Doctor Who is ruined' and 'People who can only achieve orgasm if they shout 'Brexit means Brexit!'"
Camaraderie —Defense —Belonging —Problem-Solving	Posts harkening to a collective fandom; using references to the fandom to propose solutions to repercussions from Brexit and/or Donald Trump; defending either/or geopolitical events through a lens of the show	"Some people would use a tardis to go back in time to see the dinosaurs. Not me tho, I'd go back to June 8 th ." "What we need is a political Tardis that can take us back to 22 June last year.."
Comparison —Plotlines —Alternative Realities —Character Judgement —Analogies	Comments comparing figures associated with Brexit such as Theresa May and Boris Johnson, and Donald Trump, with aliens in <i>Doctor Who</i> , and/or using these geopolitical events to create new imaginative plotlines in the show, and/or taking portions of <i>Doctor Who</i> canon to imagine a different reality surrounding these events.	"Donald Trump on watching an episode of Doctor Who: 'Theres been a lot of violence and evil from Davros and the Daleks... Theres been a lot of evil and violence on all sides...on all sides. Extremist Timelords and Tardises pushing their left wing agenda... humans refusing to submit to their Dalek overlords...Terrible extremism...'" "I just came to the realisation that the Daleks are just the Donald Trumps of Doctor Who."
